

Honors in the Major – Department of Engineering and Environmental Science

BS in Electrical Engineering & BS in Engineering Science

Requirements are as follows:

- 1) Fulfillment of all requirements for the Engineering Science and Electrical Engineering degrees
- 2) An overall GPA of 3.25 (or above) and a GPA of 3.5 (or above) in the major
- 3) Outstanding achievement as demonstrated by ONE or more of the following:
 - a. Exceptional senior design project (*Senior project faculty member nominates student*)
 - b. Authorship in a publication at a refereed conference or journal proceedings in the field (*Departmental committee on Honors in the Major decides after student submits the information*)
 - c. Major recognition award for undergraduate research work within the CUNY community (*Departmental committee on Honors in the Major decides after student submits the information*)

In order for the honors option to be awarded, the student needs to apply before graduation and honors status will be judged and awarded by the Honors in the Major departmental committee
