

Job Title: Adjunct Lecturer – Biology Department (Multiple Vacancies)

Location: College of Staten Island

Full/Part Time: Part-Time

The Biology Department at the College of Staten Island is seeking to hire adjunct lecturers to teach introductory to senior-level courses in General Biology, Human Anatomy and Physiology and Molecular Biology/Genetic during the 2017-18 academic year. When applicable, Adjuncts are reappointed each semester contingent upon enrollment and satisfactory teaching observations.

QUALIFICATIONS

Bachelor's degree in area(s) of expertise, and the ability to teach successfully.

PREFERRED QUALIFICATIONS

General Biology - Master's and/or PhD degree and relevant experience to teach first-year major and/or non-major general biology lectures and lab.

Human anatomy and physiology – Master's and/or PhD degree and relevant experience to teach human anatomy and physiology.

Molecular Biology/Genetics - Master's and/or PhD degree and relevant experience to teach molecular biology courses.

COMPENSATION

CUNY offers faculty a competitive compensation and benefits package covering health insurance, pension and retirement benefits, paid parental leave, and savings programs. We also provide mentoring and support for research, scholarship, and publication as part of our commitment to ongoing faculty professional development.

HOW TO APPLY

Applicants must submit resume/CV and cover letter as a single PDF document to changhui.shen@csi.cuny.edu. Please indicate “Biology Adjunct Position” in the subject line. You should also address any questions to that email address as well.

CLOSING DATE

Open until filled
