

The Center for Advising & Academic Success (CAAS) would like to remind you that:

**March is
Early
Advisement
Month @ CSI**

Avoid delays & long lines.

Benefits of Early Advisement:

- Give yourself time to research courses & subjects.
- Receive important faculty input on major-related courses well before you're able to register for your Summer & Fall courses.
- Did we mention avoiding long lines?

Faculty mentors and professional advisors are available to meet with you now. Take advantage of our expertise by visiting your advisor today.

More information regarding the Early Advisement Period, including the location and office hours of your assigned advisor, can be found @ www.csi.cuny.edu/academicadvisement/early_advisement.html.
