

How to add your M365 account to Gmail on your Android Device

Step 1: Open Gmail.

Step 2: Tap the menu icon (3 lines) in the upper left corner.

Step 3: Tap **Settings**.

Step 4: Tap **Add account**.

Step 5: Tap **Exchange and Office 365**.

Step 6: In the email field, enter your CUNYfirst credentials: firstname.lastname##@login.cuny.edu

Tap **Next**.

Step 7: You will be redirected to the CUNY authentication screen. Enter your CUNY username and password.

Tap **Log in**.

Note: You may be required to Authenticate.

Step 8: The M365 email account is ready to go! Tap **Done**.
