

Job Title: Doctoral Lecturer – Mathematics
Job ID: 29352
Location: College of Staten Island
Full/Part Time: Full-Time
Regular/Temporary: Regular

FACULTY VACANCY ANNOUNCEMENT

The Department of Mathematics at The College of Staten Island invites applications for a full-time lecturer position, with duties as an Undergraduate Math Advisor and Course Coordinator in exchange for course release. The successful candidate will be responsible for teaching undergraduate mathematics courses, advising undergraduate mathematics students, and coordinating and supporting instructors of service courses to ensure effective course delivery and adherence to departmental standards.

The College of Staten Island (CSI) is a City University of New York (CUNY) senior College organized around two academic divisions and three schools, with over 10,000 students. CSI offers a broad range of academic programs in the liberal arts and sciences, and in several professional areas. The College awards associate's, bachelor's, master's and professional doctorate degrees and in collaboration with The CUNY Graduate Center, numerous Phd degrees. CSI's internationally recognized faculty passionately engages in scholarly and artistic activities, together with a strong professional staff, lead students through transformational learning experiences both inside and outside of the classroom. The College is situated on a 204-acre site, has recently incorporated a residential component, and is currently engaging in capital expansion. It is a hub of intellectual and artistic activity and a community partner and source of economic impact and job creation for the greater Staten Island area.
