Job Title:	Adjunct Lecturer – Pre-Calculus
Location:	College of Staten Island
Full/Part Time:	Part-Time
Effective:	July 1, 2024 – August 9, 2024

Special Programs in partnership with the College of Staten Island is seeking a highly qualified and dynamic individual to serve as a Pre-Calculus Instructor for the STEM Academy. The STEM Academy is an intensive three-week program designed to prepare students for their upcoming coursework in computer science, chemistry, and pre-calculus in fall 2024. We seek a candidate with a deep understanding of pre-calculus and a talent for engaging and inspiring students in a short-term academic setting.

Responsibilities:
- Teach pre-designed course material, ensuring students grasp and apply pre-calculus concepts effectively.
- Facilitate engaging and interactive sessions on graphing technology and online math software to examine practical applications of exponential, logarithmic, and trigonometric functions.
- Applicants should be able to provide clear explanations and use active learning strategies to motivate students.
- Monitor and evaluate student progress and adapt facilitation techniques to meet diverse learning needs.
- Maintain a dynamic and inclusive learning environment that fosters creativity and problem-solving.
- Address student questions, providing clear explanations and demonstrations to clarify complex topics.

QUALIFICATIONS
Bachelor's degree in area(s) of expertise, and the ability to teach successfully.

Preferred Qualifications include:
- Instructors should have 3 or more years of experience teaching pre-calculus to a diverse student population.
- Excellent communication skills and the ability to engage students and clarify complex concepts effectively

COMPENSATION
$91.67hr

HOW TO APPLY
To apply, please send your resume/CV to: specialprograms@cuny.edu. Please include the subject line "Adjunct Lecturer – Pre-Calculus Position" in all email correspondence.

CLOSING DATE
June 17, 2024
